

## Information concerning travel & entry restrictions for Austria

### Entry requirements for Austria

Dear all,

due to Covid-19 pandemic, new measures to contain the Covid-19 virus have been tightened. The regulation in force since **Friday, 15.01.2021** and adapted on **Friday 12.02.2021** means that entry into Austria is from that on only possible under the following conditions:

#### 1. Competing in World Cup or Europe Cup events from National Interest:

- > If you are entering Austria to compete in an event from "national Interest" (the LOC will provide an invitation letter from the Austrian ministry) you can enter Austria without quarantine of 10 days, if you have the following confirmations with you:
  - Letter of confirmation from your NSA that you are a professional athlete / coach / staff
  - Invitation letter from the Austrian ministry for your planned competition (provided by the LOC)
  - Medical certificate or test result (Antigen or PCR) which confirms that you are negative tested on Covid-19 (**not older than 72 hours**). The test result (in German or English) must include:
    - Surname and forename of the tested person
    - Date of birth
    - Date and time of the test
    - Test result with stamp of the doctor or institution
- > Your entry is in the compelling interest of the Republic of Austria and you do not need to do the online-registration through the Pre-Travel-Clearance by exception mentioned in § 7(1) or § 8 of the Covid-19 entry regulation

#### 2. Competing in FIS-Races / National Events and Training issues:

- > FIS-races, national events and training issues are not from national interest and no special exceptions can be done. Furthermore only professional athletes can enter Austria without quarantine by following regulations:
  - Online pre travel registration through <https://entry.ptc.gv.at/en.html> and select exception "The Entry is subject to an exception in § 4 (3) or § 5 (5) of the Covid-19 entry regulation and enter all the data required. You will get a confirmation via Email or QR Code.
  - Medical certificate or test result (Antigen or PCR) which confirms that you are negative tested on Covid-19 (**not older than 72 hours**) and the test result must include all datas named on point 1.
  - Letter of confirmation from your NSA that you are a professional athlete / coach / staff
- > If you can not provide the mentioned documents or if your are not an professional athlete, a 10 days quarantine is mandatory for entering Austria.

#### 3. Travel restrictions from and to Tyrol (temporary valid for 10 days till 21.02.2021, extension TBD)

- > Since Friday, 12.02.2021 all persons (!!) leaving the territory / region of Tyrol (North-Tirol) (no matter outside or inside Austria) have to present a negative Antigen or PCR test not older than 48 hours (in German our English) at the boarder.
- > This restrictions are not valid for East-Tyrol (Osttirol).
- > Transit traffic through Tyrol is not included from this restriction.
- > Entering Tyrol from abroad mentioned above Point 1 measures count. When entering Tyrol from an other part from Austria, there are currently no restrictions.

Further Updates will be communicated ASAP.
